Healthy Eating for Older People

An interactive course to raise awareness of our changing nutritional needs as we get older. The course includes simple cookery demonstrations and food tastings with great ideas for meals. These courses are delivered in community venues.

Growing fruit and vegetables

Great for those who would like to have a go at growing easy fruit and vegetables. You don't even need to have a garden. Lots of sensible advice and suggestions to save you money and help you feel good as you grow your own. At every session there are seeds and plants to take away and skilled volunteers to give tailored advice. These sessions are delivered in community venues.

Learn to shop online

We have developed an enjoyable session to help even the most nervous computer user gain confidence and skills to shop online. Never struggle to get to the shops again! Everyone gets a shopping online pack to take away. These courses are delivered in community venues by trained and supportive volunteers. Learning at home is also available.

For more information contact us as pre-booking is essential for all activities
